

Journey Circle

Membership Terms
Effective August 2026

Journey Circle is Destinations For You Travel's loyalty program created to recognize and reward our returning travelers. These terms explain how Journey Circle membership is earned, how membership levels are determined, and how program benefits may be used.

1. Journey Circle Membership Levels

Journey Circle membership is based on the number of qualifying completed trips booked through Destinations For You Travel (DFY Travel).

- **Wanderer - The Awakening:** 2-4 qualifying completed trips
- **Explorer - The Refinement:** 5-9 qualifying completed trips
- **Globetrotter - The Distinction:** 10+ qualifying completed trips
- **Odyssey Society:** By invitation only. Odyssey Society membership is personally extended by DFY Travel. It is not automatically earned based on the number of trips completed.

2. Qualifying Completed Trips

For purposes of determining Journey Circle membership status, a trip must meet the following requirements to be considered a qualifying completed trip:

- **The trip must include a minimum stay of four consecutive nights.**
- Travel must be completed before the trip is counted toward Journey Circle status.
- A hotel-only reservation does not qualify on its own. A hotel reservation must include at least one additional eligible travel component booked through DFY Travel as part of the same trip.

Eligible additional travel components may include, but are not limited to:

- Air transportation
 - Airport or private transfers
 - Tours or excursions
 - Rail transportation
 - Cruise arrangements
 - Other eligible travel experiences or services arranged by DFY Travel
- Travel insurance does not qualify as the required additional travel component.
 - Trips that have been booked, deposited, or scheduled but have not yet been completed do not count toward membership-level advancement.
 - Canceled trips and reservations that do not meet the qualifying-trip requirements do not count toward Journey Circle status.

3. Membership Level Changes

Once a qualifying trip has been completed, DFY Travel will update the member's completed-trip count.

If the completed trip qualifies the member for a higher Journey Circle level, the new level becomes effective once the level change is confirmed by DFY Travel. From the effective date of the upgrade, the member becomes eligible for the benefits associated with the new membership level on qualifying new bookings and services. An upgrade does not restart or extend the member's current annual benefit period.

For benefits limited to a specific number of uses per year, benefits already used during the current benefit period count toward the allowance provided at the new level. If the new membership level provides a greater number of a particular annual benefit, the member may use the remaining difference during the current benefit period.

Example: If a member has already used one lounge pass and advances to a level providing two lounge passes per year, the member would have one lounge pass remaining for that benefit period.

Unused benefits from a previous membership level do not accumulate or carry forward unless specifically stated by DFY Travel.

4. New Bookings Only

Journey Circle benefits apply to eligible new bookings and services made after the member has been awarded or upgraded to the applicable Journey Circle level. Benefits cannot be applied retroactively to travel or services that have already been booked, deposited, or confirmed. A subsequent membership-level change does not increase, replace, or retroactively adjust a benefit or credit previously applied to an existing booking.

5. DFY Travel-Sponsored Group Trip Credits

Journey Circle group trip credits apply only to eligible DFY Travel-sponsored land group trips. The applicable credit is determined by the member's Journey Circle level at the time the eligible new booking is made.

To receive the applicable Journey Circle credit, members must add/select their current Journey Circle membership level during the booking process. The membership level must be provided before the booking is completed so DFY Travel can verify eligibility and apply the appropriate benefit. Unless specifically stated otherwise, Journey Circle group trip credits do not apply to independent or customized trips, cruises, airfare, travel insurance, taxes, supplier fees, or other non-qualifying travel expenses.

Journey Circle credits have no cash value.

6. Annual Benefit Period

Benefits designated as "per year" are available according to the member's applicable Journey Circle level and the eligibility requirements of the individual benefit.

Inaugural Benefit Period

Because Journey Circle launches late August 2026, the first annual benefit period will run from **September 2026 through December 31, 2027**. The September 2026-December 2027 period is considered one benefit period. Members do not receive a separate annual allotment for 2026 and 2027.

Beginning January 1, 2028, Journey Circle annual benefits will follow the calendar year: **January 1 through December 31**.

Annual benefits reset at the beginning of each new calendar year.

Unused annual benefits expire at the end of the applicable benefit period and do not accumulate or roll over into the next benefit period. Unused benefits have no cash value.

7. Complimentary Travel Benefits

Complimentary Journey Circle travel services and experiences - including private airport transfers, airport lounge passes, VIP Meet & Greet Services and VIP Experience Enhancements - are subject to:

- The member's applicable Journey Circle level
- Eligibility of the applicable trip
- Destination availability
- Supplier availability
- Applicable program requirements

DFY Travel will determine the qualifying service or experience based on the member's applicable benefit, destination, itinerary and available options. Advance notice may be required to arrange certain benefits.

If a particular complimentary service or experience is unavailable for an eligible trip or destination, DFY Travel is not required to provide a cash equivalent.

8. Professional & Concierge Services

Journey Circle credits toward or complimentary Professional/Concierge Services apply only to eligible services designated by DFY Travel. Any cost exceeding the member's applicable Journey Circle credit or benefit remains the responsibility of the traveler. Professional/Concierge Service credits have no cash value and may not be applied to previously purchased services.

9. Early Access

Eligible Journey Circle members may receive advance notice of select DFY Travel-sponsored group trips before those trips are announced to the general mailing list. Early access provides an opportunity to book before the general announcement but does not guarantee:

- Availability
- Pricing
- Accommodations
- Room category
- Specific departure options
- Reservation confirmation

A reservation is considered confirmed only after all applicable booking and deposit requirements have been completed.

10. Priority Waitlist

When applicable to the member's Journey Circle level, priority waitlist status provides priority consideration if space becomes available on a sold-out DFY Travel-sponsored group trip. Priority waitlist status does not guarantee that space will become available or that a reservation will ultimately be confirmed.

11. Personal & Non-Transferable Benefits

Journey Circle membership belongs to the individual member.

- May not be transferred to another traveler
- May not be sold or gifted
- May not be exchanged for cash
- Have no cash value

When two or more Journey Circle members travel together, each member's benefits remain subject to the eligibility and usage requirements associated with their individual membership.

12. Combining Benefits & Offers

Journey Circle credits, discounts, complimentary benefits, promotions, and other DFY Travel offers may not be combined unless specifically stated by DFY Travel. When more than one offer could apply to a booking, DFY Travel will determine which benefits or offers are eligible to be used together.

13. Membership Records

DFY Travel maintains the official record of qualifying completed trips and Journey Circle membership status. Members will be notified when they advance to a new Journey Circle level. Questions regarding a member's trip count or membership status should be directed to DFY Travel.

14. Program Changes

DFY Travel reserves the right to modify Journey Circle benefits, eligibility requirements, membership-level criteria, participating trips, program procedures, or these terms as the program evolves.

DFY Travel may also substitute, modify, or discontinue a benefit when circumstances outside its control make the original benefit unavailable or impractical to provide.

Members will be notified of material changes that affect their Journey Circle membership or available benefits.

15. Questions About Your Benefits

Because benefit eligibility may vary by trip, destination, service, and membership level, members are encouraged to contact DFY Travel before making a booking or requesting a benefit if they have questions about how their Journey Circle benefits apply.

Journey Circle is our way of recognizing something we deeply value: your continued trust in Destinations For You Travel.

We look forward to being part of the journeys still ahead.

Destinations For You Travel

Make travel your habit, one destination at a time.
